

REPORT NO. 1 OF 2015

SA Vroue Federasie (SAVF) Wage Negotiations

The first sitting of wage negotiations for the current financial year occurred on the 26th March 2015.

The Employer read out the attached document (Report 1 Addendum) as a response to Labour's demands.

After asking some clarity-seeking questions and debating the Employer's offer, Labour categorically rejected the offer.

The Employer was asked to go back to the drawing board and return with an acceptable offer.
